<sup>1</sup> A plan which identifies at least the horizontal location of the streets, parking, buildings, lot layout, stormwater detention/retention basin, water supply, sanitary sewage disposal, and other planned improvements.

<sup>2</sup> This submission may be limited to an executive summary of the purpose, procedure, findings, conclusions, and recommendations of the study.

<sup>3</sup> Only when using an on-site sanitary sewer facility.

<sup>4</sup> Only when using public sanitary sewer or water facilities.
