

EAST COCALICO TOWNSHIP
LANCASTER COUNTY
ONLOT SEWAGE FACILITIES
PUMPER/HAULER REGISTRATION REQUIREMENTS

1. Each Pumper/Hauler undertaking pumping activities of onlot septage systems in East Cocalico Township pursuant to Ordinance # 2003-02 shall be registered by The Township on an annual basis.
2. In order to initially register and in order to maintain registration, the Pumper/Hauler shall be required to follow the following procedures:
 - a. Apply for registration and provide verification that they are licensed by the State of Pennsylvania for pumping and hauling activities, and that they carry liability and Worker's Compensation Insurance.
 - b. Conduct their inspection and pumping operations in accordance with Ordinance #2003-02.
 - c. Provide certificate indicating that they have attended the Pumper/Hauler's Training program provided annually to East Cocalico Township. Attending one (1) training program will allow reregistration for up to five (5) years from the date of the initial registration. Thereafter, the Pumper/Hauler must attend a subsequent training session.
3. This form can be used for the application for registration.
