- 1 Call to Order – the meeting was called to order at 4:05pm.
- 2 Minutes from February meeting – Mike Ridgeway motioned to approve the February minutes. Mark Stivers seconded the motion. The motion passed unanimously.
- 3 BPAC structure – correction from the agenda. This was not an action item. There was a general discussion of BPAC's role in TTAC and the MPO.
- 4 Harrisburg Pike bike/ped path recommendation letter – This item was tabled.
- 5 S. Duke Street over Conestoga River bridge replacement Recommendation – Lauri Ahlskog reported that the bridge on South Duke Street over the Conestoga River is going to be replaced. There has been a disagreement between providing and not providing sidewalks. PennDOT asked for BPAC's recommendation. Ms. Ahlskog further reported that there would not be a widening of the bridge, this project is just a replacement of the superstructure or deck. Also, to keep the bridge from being designated as functionally obsolete, the actual roadway width of the new bridge needs to be wider. Since the bridge is not being widened, to get the width, the sidewalks must be narrowed. There was discussion about whether to have a sidewalk on one side or on both sides. The committee's recommendation is for 11 foot travel lanes, 3 foot shoulders, and 4 foot sidewalks on both sides. Ms. Ahlskog will forward this recommendation to PennDOT.
- 6 Revised 2010 Meeting Schedule – Lauri Ahlskog had distributed via email an updated meeting schedule with BPAC meeting every month on the last Tuesday of the month. Meetings will be cancelled due to a lack of agenda items or quorum.
