YEAR 2

PERSONNEL

Justification: PMR #1 -

I am changing the position of bilingual victim advocate to second domestic violence advocate. The position was vacated just over six months ago, and we have been unable to find a qualified candidate who is bilingual. I cannot afford to leave this position vacant any longer and do have the resources for an interpreter when needed, so we will still be able to continued served LEP victims.

Keyshla (Angel) Negron was our bilingual domestic violence victim advocate, but that position has been vacant since August 2025 when Keyshla left, which is (Before this grant even started), so i am changing that position to Second DV Victim Advocate.

Update: We are currently interviewing for our Second DV Victim Advocate and hope to have that position filled soon.

We are using the grant to support salaries and benefits for victim advocates who provide the direct services enumerated in our grant. There are three victim advocates who are partially funded by this grant. Donna Jones is our domestic violence advocate. This grant also funds our Second DV advocate which is currently vacant. The third position which is partially funded by this grant is our sexual assault/child abuse victim advocate, Stephanie Wisler. Her position is also partially funded by our other grant (RASA/VOJO). We have had these positions for several years. All of the salary and benefits numbers are based on the 2026 amounts.

SECTIONS:**B. Procurement Details****1.**

Subgrantees shall use their own procurement procedures and regulations, provided that the procurement conforms to applicable federal law and the standards identified in the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200.320).

At minimum, PCCD grant recipients and subrecipients must follow the procurement standards as written in Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards - [2CFR 200.318 through 200.326](#).

Methods of Procurement

Subgrantee must have and use documented procurement procedures, consistent with the standards of 2 CFR 200.320; §200.317, §200.318, and §200.319 for any of the following methods of procurement used for the acquisition of property or services under a federal award.

(a) Procurement by micro-purchases. Procurement by micro-purchase is the acquisition of supplies or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold (§200.67Micro-purchase). To the maximum extent practicable, the subgrantee must distribute micro-purchases equitably among qualified suppliers. Micro-purchases may be awarded without soliciting competitive quotations if the subgrantee considers the price to be reasonable, based on research, experience, purchase history or other information and documents it files accordingly.

(b) Procurement by small purchase procedures. Small purchase procedures are those relatively simple and informal procurement methods for securing services, supplies, or other property that the aggregate dollar amount, which is higher than the micro-purchase threshold, but does not cost more than the Simplified Acquisition Threshold. If small purchase procedures are used, price or rate quotations must be obtained from an adequate number of qualified sources.

(c) Procurement by sealed bids (formal advertising). Bids are publicly solicited and a firm fixed price contract (lump sum or unit price) is awarded to the responsible bidder whose bid, conforming with all the material terms and conditions of the invitation for bids, is the lowest in price. The sealed bid method is the preferred method for procuring construction, if the conditions in paragraph (c)(1) of this section apply.

(1) In order for sealed bidding to be feasible, the following conditions should be present:

- (i) A complete, adequate, and realistic specification or purchase description is available;
- (ii) Two or more responsible bidders are willing and able to compete effectively for the business; and
- (iii) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

(2) If sealed bids are used, the following requirements apply:

- (i) Bids must be solicited from an adequate number of known suppliers, providing them sufficient response time prior to the date set for opening the bids, for local, and tribal governments, the invitation for bids must be publicly advertised;
- (ii) The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
- (iii) All bids will be opened at the time and place prescribed in the invitation for bids, and for local and tribal governments, the bids must be opened publicly;
- (iv) A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder. Where specified in bidding documents, factors such as discounts, transportation cost, and life cycle costs must be considered in determining which bid is lowest. Payment discounts will only be used to determine the low bid when prior experience indicates that such discounts are usually taken advantage of; and
- (v) Any or all bids may be rejected if there is a sound documented reason.

(d) Procurement by competitive proposals. The technique of competitive proposals is normally conducted with more than one source submitting an offer, and either a fixed price or cost-reimbursement type contract is awarded. It is generally used when conditions are not appropriate for the use of sealed bids. If this method is used, the following requirements apply:

- (1) Requests for proposals must be publicized and identify all evaluation factors and their relative importance. Any response to publicized requests for proposals must be considered to the maximum extent practical;
- (2) Proposals must be solicited from an adequate number of qualified sources;

SECTIONS:

- (3) The subgrantee must have a written method for conducting technical evaluations of the proposals received and for selecting recipients;
- (4) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
- (5) The subgrantee may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services though A/E firms are a potential source to perform the proposed effort.

(e) [Reserved]

(f) Procurement by noncompetitive proposals. Procurement by noncompetitive proposals is procurement through solicitation of a proposal from only one source and may be used only when one or more of the following circumstances apply:

- (1) The item is available only from a single source;
- (2) The public exigency or emergency for the requirement will not permit a delay resulting from competitive solicitation;
- (3) PCCD expressly authorizes noncompetitive proposals in response to a written request from the applicant;
- (4) After solicitation of a number of sources, competition is determined to be inadequate
- (5) The acquisition of property or services, the aggregate dollar amount of which does not exceed the micro-purchase threshold.

Micro-purchase (2 CFR 200.67) means a purchase of supplies or services using simplified acquisition procedures, the aggregate amount of which does not exceed the micro-purchase threshold. Micro-purchase procedures comprise a subset of a non-Federal entity's small purchase procedures. The non-Federal entity uses such procedures in order to expedite the completion of its lowest-dollar small purchase transactions and minimize the associated administrative burden and cost. The micro-purchase threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1(Definitions). It is \$10,000 except as otherwise discussed in Subpart 2.1 of that regulation, but this threshold is periodically adjusted for inflation.

Simplified acquisition threshold (2 CFR200.88) means the dollar amount below which a non-Federal entity may purchase property or services using small purchase methods. Non-Federal entities adopt small purchase procedures in order to expedite the purchase of items costing less than the simplified acquisition threshold. The simplified acquisition threshold is set by the Federal Acquisition Regulation at 48 CFR Subpart 2.1 (Definitions) and in accordance with 41 U.S.C. 1908. As of the publication of this manual, the simplified acquisition threshold is \$250,000, but this threshold is periodically adjusted for inflation.

Formal Procurement methods. When the value of the procurement for property or services under a federal financial assistance award exceeds the SAT, or a lower threshold established by a non-federal entity, formal procurement methods are required. Formal procurement methods require following documented procedures,. Formal procurement methods also require public advertising, unless a non-competitive procurement can be used in accordance with §200.319.

A proposed formal advertised or competitive negotiated procurement for which only one bid or proposal is received is deemed to be a noncompetitive procurement.

SECTIONS:**3. Goals, Objectives, and Activities of the VOCA Funded Project**

If you are an applicant providing services to multiple counties, you are asked to add a separate narrative below for each county by clicking "ADD NEW NARRATIVE."

Narrative #1

3.1. State the name of the county in which services will be provided. Describe the goals, objectives, and activities that will maintain the core services, and service provision to victims that were accomplished through the VOCA 2023-2025 non-competitive funding announcement.

Lancaster County: We are continuing the existing project funded by VOCA non-competitive grant 2025-2027 46674

The objective of the VOCA project is to fulfill the mission of the Victim/Witness Services program; "Victim/Witness Services is dedicated to addressing the effects of crime, empowering victims and upholding victims' rights. We will serve all crime victims, witnesses and their families by providing information, support, and advocacy in an effort to promote healing and resilience."

Within the scope of our VOCA grant, we fund salaries and benefits for three advocates. There are two victim advocates for victims of domestic violence, one of whom is bilingual. Their roles include offering options to victims and advocating with the prosecutors for the wishes of the victim.

They provide criminal justice information, notification of events and accompaniment. They explain and file VCAP claims and assist with follow-up. They refer victims to Domestic Violence Services and community-based counselors and social services as needed. They do safety planning and assist victims with enrolling in SAVIN and with OVA to address their safety and security needs. They advocate with the local prison and the DOC to stop unwanted contact from the defendant and to alert officials to potentially dangerous situations. They may also assist families in domestic violence homicides, providing comfort, support, and encouragement to them along with needed information about the process, their rights, and the services available to them.

We are also partially funding a victim advocate for sexual assault and child abuse. She works with many cases referred to the District Attorney's office for prosecution consideration. She calls the victims and their families to offer services, outline the process, offer accompaniment, offer referrals to counselors, and explain and file VCAP claims and assist with follow-up. Throughout the entire process, she is available to them for support, information, and encouragement. She is also available to assist them in any post-sentence issues; difficulties with school or employers, advocating with Probation and Parole for conditions or enforcement, providing support, accompaniment, and assistance with input into paroling decisions. She also assists families in cases of child abuse homicides, providing comfort, support, and encouragement to them along with needed information about the process, their rights, and the services available to them. She is also partially funded by another grant.

All our advocates have a similar knowledge base, perform the same functions, and can cover one another's work even if they serve different client populations.

The goal of our services is to provide information, support, and advocacy to crime victims and their families, significant others, and witnesses.

SECTIONS:

4.

Does the proposed project modify the service provision for which the applicant received funding through the VOCA 2023-2025 non-competitive funding announcement?

No

4.1. If YES, information and data (service numbers, client surveys, statistics, county specific data, etc.) must be provided to support this variation in service provision. Applicants must highlight any significant change in service provision that was not contained and approved in the VOCA 2023-2025 funding announcement. PCCD staff will review all applications. If an agency’s justification for the funding is insufficient or unsupported by data, PCCD program and fiscal staff reserve the right to reduce the applicant’s VOCA budget accordingly.

5. List any indirect services that will be paid for using VOCA funds.

Each indirect service must clearly provide evidence that:

- 1. Direct Services to crime victims cannot be offered without VOCA support of these expenses.
- 2. The agency has no other source of support for these tasks.
- 3. Only a limited amount of VOCA funds will be used for these expenses.

Examples:

- 1. Skills Training for direct service staff and volunteers.
- 2. Supervision of VOCA-funded Direct Service Providers.
- 3. VOCA related program administration.
- 4. Public Presentations designed to help crime victims identify their own victimization and referral to services.

SECTIONS:

(1) Victim Compensation Assistance – The Victim Advocate will screen victims for eligibility to apply for victim assistance. For those eligible victims, agency staff will assist in applying for the relevant benefits.

(2) Information about the Criminal Justice Process – Where a pending criminal matter exists, the Victim Advocate will refer every victim to an advocate at the District Attorney’s office. The advocate will coordinate with the DA’s office to ensure services needed by the victim are established, such as interpretation services, accompaniment services and transportation . The Victim Advocate will also provide an overview to the victims about the criminal process and their rights as a victim. Where no criminal matter has been filed but could be, the advocate will inform the victim of the process and help to ensure accompaniment and/or language services.

(3) Referral to Other Victim Service Programs – The Victim Advocate will ensure that those victims with criminal matters are referred to the victim/witness coordinator at the District Attorney’s office. The advocate will also work with the existing victim service programs in the city to ensure that all of the needs of our victims are met.

(4) Crisis intervention – The Victim Advocate will assess the safety of the victim and work to provide safety planning, which may include caregiving needs, meal service, temporary housing for safety, etc.

Note: I am referring to all individuals covered by this grant as victim advocates. Their job titles differ, but they are all victim advocates.

Service: VICTIMS COMPENSATION ASSISTANCE -

The Victim Advocates are trained in the eligibility requirements, benefits, and procedures of VCAP. They contact the victims to explain VCAP options and assist with the gathering of documentation. They file the claim in DAVE. They submit supplemental bills and monitor the claim through DAVE or the claims examiner. When a claim decision is received, the advocates review the claim decisions and help in the filing of an appeal if needed.

Service: INFORMATION ABOUT THE CRIMINAL JUSTICE PROCESS AND INFORMATION ABOUT VICTIM RIGHTS

The Victim Advocates are familiar with the justice systems and the PFA process and utilize databases, court scheduling sites and defendant files to track cases and provide information to victims.

Advocates give victims information about the case and the system, information about rights and services, VCAP, counseling and possible referrals. They seek victim input on reducing/dropping charges, plea agreements and case outcomes. Advocates use brochures, booklets, victim handbooks, websites and other materials to educate victim and their families about the process of a case, their role and rights in the system and the mechanisms in place to get notice and have input into the outcome of the case. They provide practical information to victims, witnesses, and family members, including directions, parking facilities and payment, facilities in the courthouse, time and expected duration for appearances for a trial.

Service: REFERRALS TO OTHER VICTIM SERVICES PROGRAMS AND REFERRALS TO OTHER SERVICES, SUPPORTS AND RESOURCES

The Victim Advocates are familiar with the services and referral procedures for other agencies in the county that may be utilized to assist victims of crime. Victim/Witness Services advocates make victims aware of the services available to them.

Service: INDIVIDUAL ADVOCACY

The Victim Advocates act as a liaison for information, intervention, support, advocacy, and comfort between victims and other stakeholders in the system and/or employers, creditors, landlords, employers, school officials and others. They are a referral source for information and assistance regarding practical needs created or exacerbated by victimization such as housing, food, finances, or other related matters utilizing the referral lists provided by United Way.

Service: VICTIM IMPACT STATEMENTS

SECTIONS:

The Victim Advocates will assist all crime victims with a victim impact statement at the office, at their home or at another safe place. The right to speak at all dispositional proceedings is reviewed by the advocates. If the victim chooses to come, the advocate will tell the attorney and orient/accompany the victim to court. Victims are given assistance and accompaniment post-sentencing to give statements to the Parole Board or any other entity.

Service: LAW ENFORCEMENT ADVOCACY/ACCOMPANIMENT and CRIMINAL ADVOCACY/ACCOMPANIMENT

The Victim Advocates support the rights of victims to be fully informed of all options, participate completely in every area of the system and to freely choose their level of involvement and participation. They support and advance crime victims' input into the handling of a case. They are truthful and candid with victims regarding the circumstances of their case. The Victim Advocates accompany victims to any criminal justice proceedings or represent them if the victim chooses not to attend. The Victim Advocates are

fully trained in the nature, purpose and process of all proceedings, the victim's role, and what the victim may expect from the proceeding and able to communicate it to the victim.

Service: NOTIFICATION OF CRIMINAL JUSTICE EVENTS

The Victim Advocates notify victims of proceedings in their case including preliminary hearings, tender years hearings and other pretrial matters, trials and dispositional proceedings. The purpose and potential outcomes and the victim's rights and role in these proceedings is explained. If the victim can attend, they are offered accompaniment. If the victim has a right to speak, it is explained and assistance offered.

Service: ASSISTANCE WITH RESTITUTION

Note: The process of establishing the amount of restitution owed in a case and creating a restitution summary is done by the Restitution Advocates in all cases except homicides. This is what is done by the Victim Advocates.

The Victim Advocates assist victims to identify, gather and present documentation for inclusion as restitution. They advocate for the collection of restitution owed to victims with the Collections Enforcement units of adult probation and the PA DOC and Board of Probation and Parole. Victims are given assistance and referrals for civil action. In homicide cases, the victim advocates complete the entire restitution process.

3.

Statewide Project

Will the selected services be offered throughout the state as a statewide project?

No

3.1. If yes, identify the VOCA services to be provided through the proposed statewide project, explain how services will be provided and how the project will benefit the commonwealth. Identify the specific personnel that will perform these services and any special training which is required to perform the service delivery.

SECTIONS:

4. Discuss how the proposed project is coordinating with other agencies to avoid duplicating existing services already being provided. This should include a discussion of the current response systems in place to attend to the needs of the crime victims' population to be served.

We partner with, refer to and share responsibilities for providing services to victims of crime with Domestic Violence Services, Sexual Assault Prevention and Counseling Center of YWCA, The Children's Alliance CAC, and Advoz. We also collaborate on multiple committees, task forces and other projects to further system advocacy, victim awareness and commemorative events. When we serve the same victims, we have long established roles to ensure that victims are fully served but avoid duplicating services.

The Sexual Assault Center provides medical advocacy, hotline services and counseling for victims of sexual assault. We provide criminal and juvenile justice advocacy and accompaniment, information about victim rights and notifications and the Victims Compensation Assistance Program claims. Similarly, Domestic Violence Services offers shelter, counseling, emergency legal assistance, assistance with Protection from Abuse orders and a host of other services to domestic violence victims. We provide criminal and juvenile justice system advocacy and accompaniment, information about victim rights and notifications and the Victims Compensation Assistance Program claims. We also cover the advocacy and accompaniment for the Indirect Criminal Contempt of Protection from Abuse orders.

We refer victims to Advoz for Victim/Offender Conferences. We participate in training of volunteers for the Sexual Assault Center, Advoz and the Youth Aid Panels as needed

1.1. Has the applicant agency read and does the applicant agency agree to be bound by all terms and conditions listed above in this section?

Recipients of PCCD grant funds must provide notification to its employees, program participants and beneficiaries that the recipient does not discriminate on the basis of race, color, national origin, religion, sex, sexual orientation, gender identity, disability, or age; and that it does not retaliate against persons who file a discrimination complaint or lawsuit, who complain about discrimination; or who participate in a discrimination proceeding, such as being a witness in a complaint investigation or lawsuit.

1.1. Does the applicant agency provide notifications as described in #1 above?

Yes

1.1.1. Explain how the applicant agency provides notifications described in question #1 above.

Employees: The equal opportunity employment standard and the sexual harassment, discriminatory harassment and antiretaliation policies are detailed in the County of Lancaster Policy and Procedure Manual. At the time of hire, employees sign an acknowledgement that they will read and comply with these policies, and that their employment is contingent on doing so.

Training is required every two years for employees related to harassment and discrimination.

Program Participants- All Bids, Requests for Proposals, MOU's and other written agreements reviewed or created by the Solicitor's Office for the County of Lancaster include a non-discrimination clause in the language. The vendor/agency agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause. In the event of noncompliance with the nondiscrimination clause, the contract may be canceled, terminated or suspended in whole or in part and the vendor/agency may be declared ineligible for further purchase orders or contracts with the County.

Beneficiaries: The policy is on the County of Lancaster website, posted on bulletin boards throughout the county owned buildings and on some written materials and email communications with the public.

2. Recipients of federal PCCD grant funds must have written policies in place for notifying employees, program participants and beneficiaries how to file complaints alleging discrimination by the recipient, including how to file complaints with the Department of Justice Office for Civil Rights.

2.1. Does the applicant agency provide notifications as described in #2 above?

Yes

3. Recipients of PCCD grant funds must take reasonable steps to provide persons of limited English proficiency (LEP) meaningful access to services or benefits. Meaningful access may entail providing language assistance services, including oral interpretation and written translation, where necessary. Information on LEP obligations can be found at www.lep.gov.

3.1. Does the applicant agency have procedures in place to provide services to those that have limited English proficiency?

Yes

3.1.1. Are the services provided free of additional charges/fees?

Although explicitly religious activities are prohibited in the programs or services funded with PCCD financial assistance, an organization can conduct these activities if it satisfies two conditions. 1. the organization must offer these explicitly religious activities separately, in time or location, from the programs or activities funded with federal financial assistance 2. participation in the programs or activities must be voluntary for beneficiaries. Does the applicant agency understand and agree to these terms?

SECTIONS:

7.

Responding to Discrimination Complaints:

As a recipient of PCCD federal funds, your organization is required to respond to complaints of discrimination from individuals or groups (i.e. program beneficiaries, subrecipient beneficiaries, or recipient/subrecipient agency employees) who are aggrieved by your agency or any agency receiving funds through this grant. A discrimination complaint may be related to a claim to have been denied the benefits of, excluded from participation in, subjected to discrimination under, or denied employment in connection with any program or activity, on the basis of race, color, religion, national origin, sex, gender identity, sexual orientation, disability or age.

The information below is to assist you in providing guidance regarding the proper steps to file complaints of discrimination with the Federal Office for Civil Rights (OCR). Formal complaints should be filed as soon as possible (under some civil rights laws you only have 180 days after the incident to file a complaint; others, such as the Omnibus Crime Control and Safe Streets Act of 1968 and the Violence Against Women Act of 1994, provide a year).

Information about applicable laws, complaint forms, and the investigative process is available at the website for the OCR: <https://www.ojp.gov/program/civil-rights-office/home>. To file a civil rights complaint with OCR, the aggrieved person(s) may file online at <https://www.ojp.gov/program/civil-rights-office/filing-civil-rights-complaint>. Alternatively, the aggrieved person may complete a Complaint Verification Form and an Identity Release Statement (download from the OCR website) and send the forms to AskOCR@usdoj.gov or mail them to:

Office of Justice Programs
Office for Civil Rights
810 7th Street, NW
Washington, D.C. 20531

Additionally, a copy of this form should be provided to PCCD at the below address:

Pennsylvania Commission on Crime and Delinquency
Director, Office of Financial Management and Administration
3101 North Front Street
Harrisburg, PA 17110

After receiving the letter of complaint, OCR will make the determination if an investigation will be initiated. OCR will contact the complainant as well as the agency in question.

Training and technical assistance on federal civil rights laws is available through the OCR. Online training on federal civil rights laws is available at <https://www.ojp.gov/program/civil-rights-office/training-resources>. PCCD encourages all subrecipients to view the online training and ensure that any other subrecipients are aware of the OCR as a training resource.

7.1. Does the applicant acknowledge that they have read, understand and accept these terms?

Yes

SECTIONS:

8.

SECTIONS:**L. Fiscal Accountability**

1.

Subgrantee Accountability

The following procedures have been implemented across all of PCCD's funding streams to ensure fiscal accountability of PCCD grant funds.

Financial Back-up: PCCD will periodically verify that grantee expenditures are consistent with approved budget categories, are eligible for reimbursement and that grantees are maintaining supporting documentation. PCCD has implemented a process where grantees are notified that they are required to submit the financial documentation to support the expenditures reported for some or all of the categories that are included in their Egrants fiscal report. Grantees are only required to submit this documentation when they are specifically notified by PCCD. Egrants users have the ability to attach documents to fiscal reports.

Accounting System Documentation: PCCD requires that all grantees maintain an accounting system which can identify all PCCD revenue and expenditures for each PCCD grant separately from all other revenue and expenditure sources. All financial transactions should be able to provide a clear audit trail.

Programmatic Back-up: PCCD will periodically verify that data submitted by grantees in their program reports is accurate. PCCD will select one or more performance measures/data categories each reporting period and require grantees to submit documentation to support what was reported on their Egrants program report or other reporting tool.

Subgrantee Payment: All subgrantees are required, at a minimum, to submit quarterly fiscal reports. PCCD will only make payments to reimburse actual expenditures reported on the fiscal reports. If an agency is experiencing cash flow problems, they may submit fiscal reports monthly and PCCD will reimburse reported expenditures.

Line Item Detail: PCCD's fiscal report allows grantees to include line item expenditure detail instead of just the overall budget category expenditures. Grantees are required to provide line item expenditure detail consistent with the line items included in their approved budget.

On-site monitoring: PCCD completes on-site monitoring of grants across all funding streams (state and federally funded projects).

Grantee risk classification: PCCD utilizes a risk classification system to identify and focus the use of agency resources on those agencies that may be most in need of additional assistance.

1.1. Does the applicant acknowledge that they have read, understand and will abide by PCCD's fiscal accountability procedures?

Yes

2.

Employee Time and Effort Reporting (Timesheets)

Time and effort reports (timesheets) are required for all personnel funded with PCCD grant dollars regardless of the funding stream. Below are the minimum standards and recommended best practices for time and effort reporting. We realize that there are a number of different systems that can be used to satisfy these requirements and we encourage you to email [PCCD's Grants Management](#) with any questions you may have regarding time and effort reporting requirements.

Minimum standards for employees working on multiple activities or cost objectives:

SECTIONS:

- Must be an after-the-fact determination of the employees actual effort. Using a budget estimate instead of reporting the actual time the employee spent working on the project does not qualify as support for charges to awards.
- Must account for total activity (grant and non-grant) for which employees are compensated and which is required in fulfillment of their obligations to the organization
- Must be signed by the employee and a supervisor with first-hand knowledge of the activities performed by the employee. Signature on the timesheets is affirmation that the report is an accurate accounting of the actual time the employee spent on the project.
- Must be prepared at least monthly to correspond to one or more pay periods
- Volunteer time and personnel costs being used as match must be accounted for in the same manner as personnel being charged to the grant

Minimum standard for employees working solely on a single activity or cost objective:

- Must be an after-the-fact certification that the employee worked 100 percent of their time on activities eligible for reimbursement under the grant project
- Must be prepared no less frequently than every six months
- Must be signed by the employee and supervisory official having first-hand knowledge of the work performed
- Applies to full-time and part-time employee

Recommended Best practices:

- Employees record time on a daily basis
- Project codes/names are provided to the employee in advance

* The above standards are based on the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (2 CFR 200) and the Office of Justice Programs Financial Guide.

** Institutions of Higher Education (IHE) may follow their own established policies for documenting personnel expenses provided that the IHE's policies are in compliance with the Standards for Documentation of Personnel Expenses referred to at 2 CFR 200.430.

The following sample forms are available on the [Grant Procedures and Forms](#) page of our website:

- Example of a completed timesheet
- An Excel timesheet template that you may modify to suit your needs
- A sample time certification for employees working 100% of their time on a grant-funded project.

2.1.

Does the applicant acknowledge that they have read, understand and will abide by PCCD's employee time and effort reporting standards?

Yes

SECTIONS:

3. Individual consultants funded with PCCD grant funds must maintain time and effort reports to support all charges billed to PCCD grant funds. Does the applicant acknowledge that they understand the requirement for individual consultants to maintain time and effort reports as support for charges against PCCD grant funds?

Yes

4.

Payment Terms

Payments will not be released until all applicable special conditions on the grant award have been satisfied. All grantees are required, at a minimum, to submit quarterly fiscal reports. PCCD will only make payments to reimburse actual expenditures reported on the fiscal reports. An agency experiencing cash flow problems may submit fiscal reports monthly and PCCD will reimburse reported expenditures.

All payments of federal funds will comply with the federal Cash Management Improvement Act, 31 U.S.C. 6503.

All funds (Federal, State, match and project income) must be obligated by the end of the project period and expended within 60 days from that date.

4.1. Does the applicant acknowledge that they have read, understand and will abide by PCCD's payment terms?

Yes

SECTIONS:**M. Federal Transparency Act Certification 2017 -FFATA**

The applicant must also provide the primary place of performance of the subaward and the names and annual salaries of the five most highly compensated officers in their agency if the agency meets certain criteria as described below.

Memorandum of Understanding

Lehigh-Berks-Lancaster Elder Abuse Multidisciplinary Team (MDT)

Due: Due date the MOU is due to the sponsor (TBD)

Lancaster County Office of Aging

Multidisciplinary Teams (MDTs) for complex elder abuse cases bring together professionals with expertise in various service areas, including accounting, medical, mental health, legal, law enforcement, and social services. These teams, across the country, hear cases about older adults living in abusive situations. The older adult's situation is represented by professionals based on their knowledge of the situation, assessments, professional expertise, and an understanding of the complexity of elder abuse. The teams create action plans to help move the older adults out of the abusive situations. This work diminishes the time frames in which an older adult can eliminate the abuse they are experiencing.

Lancaster County Office of Aging will participate in this project in the following ways:

1. Participate in the planning phase of the project.
2. Identify Older Adult cases to be discussed at MDT meetings.
3. Communicate with the Project team any obstacles regarding attending or participating in the MDT meeting.
4. Follow-up with Older Adults with any action steps suggested and your agency is responsible for.
5. Follow-up with Older Adults, when appropriate, regarding service delivery and service needs.
6. Participate in measuring outcomes and Project Impact Report.

By signing this document, you are confirming that your organization can and will participate in this Elder Abuse MDT without financial compensation. Only one signed Memorandum of Understanding is needed per member organization.

The parties to the above-captioned Lease hereby agree that the following provisions shall be incorporated into the Lease and made a part thereof. Capitalized or other terms defined in the Lease and used in this Addendum shall have the meanings ascribed to them in the Lease unless otherwise expressly defined herein.

NONAPPROPRIATION. Notwithstanding anything contained in this Lease to the contrary, in the event that sufficient funds are not appropriated and budgeted by your governing body or are not otherwise available from other legally available sources in any fiscal period as noted below ("Fiscal Period") for the Lease payments and other amounts due under the Lease, the Lease shall terminate on the last day of your Fiscal Period for which appropriations were received or other amounts are available to pay amounts due under the Lease without penalty or expense to you of any kind whatsoever, except as to the portions of payments due under the Lease or other amounts herein agreed upon for which funds shall have been appropriated or are otherwise available. You will immediately notify us or our assignee of the occurrence of nonappropriation. In the event of such termination, you shall, at your sole expense and risk, immediately return the Equipment to us. Upon return, the Equipment must be in the same condition as when you first received it (excepting only reasonable wear and tear) and include all original parts, attachments and accessories. If requested, you agree to execute and deliver to us all documents we reasonably request to evidence the transfer of legal and beneficial title to such Equipment to us, if applicable, and to evidence the termination of your interest in such Equipment. We will have all legal and equitable rights and remedies to take possession of the Equipment. At our request, you shall promptly provide supplemental documentation as to such nonappropriation satisfactory to us. Our exercise of rights pursuant to this Addendum shall not affect the survival of any indemnity and other provisions (other than the obligation to make the payments due under the Lease through the end of the then current Fiscal Period), which survive the termination of the Lease.

LESSEE WARRANTIES. You represent, warrant and covenant to us with respect to the Lease that: (a) you are an agency or department of, or a political subdivision of the state in which you are located; (b) you have the power and authority to enter into the Lease; (c) since the date of your most recent annual financial statement, there has been no material adverse change in your financial condition, or the level of assessment or collection of taxes by you; (d) the Equipment is essential to your immediate performance of a governmental or proprietary function within the scope of your authority and will be used during the Initial Term only by you and only to perform such function; (e) you intend to use the Equipment for the entire Initial Term of the Lease; (f) you have complied fully with all applicable law governing open meetings, public bidding and appropriations required in connection with the Lease and the acquisition of the Equipment; (g) there has been no material change in the budget for your current Fiscal Period since its adoption and such budget was prepared in accordance with generally accepted accounting principles in the United States in effect at that time; (h) your obligations to make the scheduled Lease payments and any other amounts due under the Lease constitute your current expense and not debt under applicable state law; and (i) no provision of the Lease constitutes a pledge of your taxes or general revenues.

CHOICE OF LAW. THIS LEASE SHALL BE GOVERNED BY THE INTERNAL LAWS (AS OPPOSED TO CONFLICTS OF LAW PROVISIONS) OF THE STATE OF THE EQUIPMENT LOCATION.

SELF-INSURANCE. Upon our prior written consent, in lieu of maintaining insurance obtained by third party insurance carriers, you may self-insure with respect to the risks described in the Lease, provided that our interests are protected to the same extent as if the insurance had been obtained by third party insurance carriers and provided further that such self-insurance program is consistent with prudent business practices with respect to such insurance risk.

INDEMNITY. The various indemnifications granted by you in the Lease shall be limited to the extent required by your applicable state law.

GUARANTY. All terms and conditions in the Lease relating to a guarantor or to a guaranty shall not apply to you or to your Lease.

PAYMENT IN ARREARS. All regularly scheduled Lease payments due by you under the Lease shall be payable in arrears.

DEPOSIT ACCOUNT INFORMATION. You shall not be required to provide to us your deposit account information; we shall not initiate debit entries to your checking account as described in the Lease.

Your Fiscal Period is a twelve-month period ending on _____.

Except as specifically modified herein, all provisions of the Lease shall remain unchanged and in full force and effect. In the event of a conflict between the terms of the Lease and the terms of this Addendum, the terms of this Addendum shall control.

Lessee hereby acknowledges that the Equipment described in this Agreement has been delivered to the Equipment Location specified above, inspected by Lessee and found to be in good operating order and condition, and has been unconditionally and irrevocably accepted by Lessee under this Lease as of the Acceptance Date set forth below.

LESSEE (full legal name): County of Lancaster, Pennsylvania	Signed by: _____	Date: _____
Title: _____	Printed name: _____	

1. Purpose. This lease (this "Lease") refers throughout to Lessee as "you" or "your" and to Lessor as "we", "us" or "our". In consideration of our purchase of the equipment described above (the "Equipment"), you hereby lease the Equipment from us for your business purposes only subject to all terms and conditions of this Lease. You acknowledge that you selected the vendor identified above (the "Vendor") and all the Equipment without our assistance. You warrant to us that you have received, reviewed and approved your vendor's written supply contract covering the equipment terms of sale and warranties. You hereby authorize us to purchase the equipment in reliance solely upon your statements herein. By your signature below, you shall be deemed to have irrevocably accepted the equipment 10 business days after shipment of the equipment to you unless we receive your written rejection prior to the end of the 10-day period. However, you agree to execute and deliver to us the Acceptance Certificate above upon our request. You acknowledge that our obligation to purchase and lease the Equipment is subject to the Acceptance Date being on or before the Pricing Expiration Date. "Acceptance Date" means the first business day following the expiration of such 10-day period or such other date set forth in any delivery and acceptance certificate requested by us. The term of this lease shall begin on the Acceptance Date.

2. Payments. You agree that this Lease is a non-cancellable net lease so you will pay all costs, fees, taxes (e.g. property, sales and use taxes) or other charges connected with the Lease and the Equipment, as well as all costs for insurance, repairs, maintenance, shipping, and filing fees. You shall pay us (a) on the first day of each calendar month or calendar quarter (depending on whether Rent is payable monthly or quarterly as specified above) if Rent is payable in advance, or (b) on the last day of each calendar month or calendar quarter (depending on whether Rent is payable monthly or quarterly as specified above) if Rent is payable in arrears, the Rent payment specified above for the length of the Initial Term in the case of a Lease and for the length of the Term in the case of a Financing. The First Payment Date shall be the first day (if Rent is payable in advance) or the last day (if Rent is payable in arrears) of the month or quarter (as applicable) immediately following the month or quarter (as applicable) in which the Acceptance Date occurs. In addition, on the First Payment Date Lessee shall also pay Lessor (a) in the case of Leases an amount equal to the Daily Rent multiplied by (i) 15 days if Rent is payable monthly or (ii) 45 days if Rent is payable quarterly; or (b) in the case of Financings an amount equal to the Daily Rent multiplied by the number of days from and including the Funding Date up to but excluding the first day of the month or quarter (as applicable) in which the First Payment Date occurs. You agree to pay a one-time documentation fee in the amount specified above with the first Lease payment to cover account-setup costs.

If you do not elect to either purchase the Equipment, renew the Lease or return the Equipment by the end of the Lease term in accordance with the terms of Section 4, or you fail to comply with your obligations arising from the election, you will continue to pay the original Lease payments for any full or partial Period that you keep the Equipment.

This Lease is intended to be a "Finance Lease" as defined in Article 2A of the Uniform Commercial Code (in effect in any applicable jurisdiction, the "UCC"). The parties' intent that each Lease be a "Finance Lease" within the meaning of Article 2A of the UCC shall have no effect on the characterization of this Lease for accounting purposes, which characterization shall be made by each party independently on the basis of generally accepted accounting principles.

If this Lease is ever deemed by a court of competent jurisdiction or by the express intention of the parties to be a lease intended for security then to secure payment and performance of your obligations under this Lease you hereby grant us a purchase money security interest in the Equipment and in all attachments, accessories, additions, products, replacements, and proceeds (including insurance proceeds) to and of the Equipment.

You hereby authorize us to file a financing statement to give public notice of (a) our ownership of the Equipment and (b) in the case of a Lease intended for security, our security interest in the Equipment. You hereby authorize us to modify any Lease payment by up to ten percent (10%) if the actual cost of the Equipment at acceptance varies from the original estimate and to complete or modify any Equipment description above or any related document to accurately describe the Equipment actually accepted by you.

3. Equipment. EXCEPT AS TO QUIET ENJOYMENT, WE MAKE ABSOLUTELY NO REPRESENTATIONS OR WARRANTIES, EXPRESSED OR IMPLIED, INCLUDING NO WARRANTY OF MERCHANTABILITY OR OF FITNESS FOR A PARTICULAR PURPOSE. You can only make any claim relating to the Equipment against the Vendor or manufacturer, and you waive any such claim against us. We hereby assign any Equipment warranties during the Lease term for your exercise at your expense. **WE WILL NOT BE LIABLE FOR INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES. YOU AGREE TO MAKE PAYMENTS TO US WHEN DUE, UNCONDITIONALLY, WITHOUT ABATEMENT OR OFFSET FOR ANY CAUSE AND REGARDLESS OF ANY PROBLEMS WITH THE EQUIPMENT, VENDOR, OR US AND YOU WAIVE ANY CLAIM OR DEFENSE TO ANY LEASE PAYMENT.** You shall indemnify us, our employees, officers, directors, agents and assignees from and against all claims, actions, costs, damages and judgments arising out of or in connection with any matter involving this Agreement and the Equipment. You agree not to move the Equipment or to transfer, sell, sublease, or encumber either the Equipment or any rights under this Lease without our prior written consent. We may freely assign our rights and interests under this Lease without notice to you or your consent. You agree that our assignee will have the same rights and remedies as we do and that our assignee's rights will not be subject to any claims or defenses you may have against us. You and any guarantor hereby authorize us to share information about you and any guarantor (including personally identifiable information) with our assignees, potential assignees, the Vendor and other third parties providing services to us. We own the Equipment and, unless you have selected a \$1.00 End of Term Purchase Option, we retain all benefits of ownership and you agree not to take any position inconsistent with our ownership. You are solely responsible for the installation, operation, and maintenance of the Equipment, will keep it in good condition, will use it in compliance with applicable law, and will not attach it to building fixtures. You bear all risk of loss or damage to or from the Equipment arising prior to its return to us and will have it duly insured against all risk of loss and damage up to the greater of its replacement value or the Stipulated Loss Value (as defined below) and against public liability for bodily injury or damage to property arising in connection with the Equipment. You will provide to us a certificate showing that you have such insurance coverages, naming us as loss payee and additional insured, as applicable. Upon the occurrence of any loss or irreparable damage to the Equipment ("Casualty Loss"), you agree to immediately (a) replace the affected Equipment with equipment of equivalent or better value and supplied by a manufacturer acceptable to us or (b) pay us an amount ("Stipulated Loss Value") which is the sum of (i) all arrears in Lease payments as of the date of payment of the Stipulated Loss Value, if any (ii) all Lease payments payable from the date of payment of the Stipulated Loss Value up until expiry of the term (discounted at a rate equal to the 2 year inter-bank swap rate quoted by Bloomberg L.P. or, where not available, such other 2 year inter-bank swap rate quoted by a commercially available publication reasonably designated by us (the "Discount Rate"), compounded monthly) and (iii) an amount calculated by multiplying the Equipment **Total Cost** with the applicable percentage specified in the next sentence. The applicable percentage will be 40% for Equipment having an initial Term of less than 24 months; 35% for Equipment having an initial Term of 24 months or greater, but less than 36 months; and 30% for Equipment having an initial Term of 36 months or greater.

You do not and will not: 1) export, re-export, or transfer any Equipment, software, source code or any direct product thereof to a prohibited destination, or to nationals of proscribed countries wherever located, without prior authorization from the United States and other applicable governments; and 2) use any Equipment, software or technology, technical data, or technical assistance related thereto or the products thereof in the design, development, or production of nuclear, missile, chemical, or biological weapons or transfer the same to a prohibited destination, or to nationals of proscribed countries, without prior authorization from the United States and other applicable governments. You are not an entity or person designated by the United States government or any other applicable government with which transacting business without the prior consent of such government is prohibited.

You are familiar with the U.S. Foreign Corrupt Practices Act, the U.K. Bribery Act, and other analogous anti-corruption legislation in other jurisdictions in which you conduct business or which otherwise apply to you, and with related regulations (collectively the "Anti-Corruption Laws"). You shall not in connection with this Lease: (i) make any improper payment or transfer anything of value, offer, promise or give a financial or other advantage or request to, or agree to receive or accept a financial or other advantage from, either directly or indirectly, any government official or government employee (including employees of a government corporation or public international organization) or to any political party or candidate for public office or to any other person or entity with an intent to obtain or retain business or otherwise gain an improper business advantage; or (ii) take any action which would cause us to be in violation of any Anti-Corruption Laws. You shall promptly notify us if you become aware of any violation of the representations and covenants set forth in this paragraph.

4. End of Term Options. If you have fully complied with this Lease, you may choose one of the following options upon the expiration of the applicable term on an "all or none" basis provided you give us not less than ninety (90) days prior written notice: (i) purchase the Equipment for the Purchase Price (as defined below) on an "as-is, where-is" basis, without any representations or warranties, (ii) renew the Lease at the fair market rental value for

an arm's length transaction as determined by us, or (iii) return the Equipment, at your expense, to a location designated by us on or before the last day of the Lease term. "Purchase Price" means (a) if you have selected a FMV End of Term Purchase Option, an amount equal to the fair market value of the Equipment in an arm's length transaction as determined by us (plus all applicable taxes), or (b) if you have selected a 10% End of Term Purchase Option, an amount equal to ten percent (10%) of the original Equipment cost (plus all applicable taxes), or (c) if you have selected a \$1.00 End of Term Purchase Option an amount equal to one dollar (\$1.00) (plus all applicable taxes). For any Equipment to be returned to us, the Equipment must be in the same condition as when delivered to you, reasonable wear and tear excepted, and you agree to (a) remove any identifying marks on the Equipment and wipe clean or permanently delete all data contained on the Equipment, including without limitation, any data contained on internal or external drives, discs, or accompanying media, and (b) pack the Equipment in accordance with the manufacturer's guidelines. All Equipment returned to us, including any memory, drives or other integrated components, parts or accessories, must be: (1) authentic manufacturer equipment configured only in compliance with that manufacturer's specifications and recommendations, and which is not counterfeit, trademark infringing, stolen, leaked, fraudulent or otherwise unlawful; and (2) free of BIOS passwords, non-default authentication credentials, or management registrations or other locking devices, which may restrict or disable the use of the equipment and devalue the remarketing price. You shall return to us all copies of any operating system software that you received with the Equipment. Without limiting the foregoing, all iPhones, smartphones, iPads, tablets, Apple desktops, Apple notebooks, and Apple workstations, must be returned in full working order and be without scratches, cracks or other damage to LCD screens or Digitizers, with any BIOS passwords or other locking devices removed and any "Find My iPhone/Find My iPad/Find My Mac", iCloud, FMP, MDM/DEP "Mobile Device Management"/"Device Enrollment Program", carrier locks, or any other locks which disable the use of the Equipment de-activated. Where any Equipment returned to us is found not to be in the condition set forth in the immediately preceding sentence, you will be responsible for, and will pay us promptly on demand for, the then fair market value (calculated assuming the Equipment is in such condition) of such Equipment.

5. Default. If you do not pay or perform any obligation under this Lease within 10 days of when such payment or performance is due, or you or any guarantor die, become insolvent or unable to pay debts when due; stop doing business as a going concern; merge, consolidate, transfer all or substantially all of your assets; make an assignment for the benefit of creditors, file bankruptcy, appoint a trustee or receiver or undergo a material adverse change in your financial or operating condition, we can do any or all of the following: (1) accelerate without notice all payments provided for in this Lease (discounted at the Discount Rate), (2) immediately repossess the Equipment or (absent Equipment repossession or return) claim a further amount equal to Stipulated Loss Value from you, (3) collect all costs of collection, including any bad check charges and reasonable attorneys' fees, (4) collect lost tax benefits and all unpaid amounts due hereunder, (5) sell or relet the Equipment, and (6) exercise all other remedies available to us. If we do not receive any payment when due, you will pay a one-time late charge on any overdue payment equal to the greater of \$.10 per dollar for each late payment, or \$15 (to compensate for the cost and expense of collecting and processing the late payment), plus a charge of 1 1/2% of the late payment for every month after the first month in which the payment is late (for damages including our inability to reinvest the late amount), but in any case, never to exceed more than the maximum charge allowed by law. Your payments may be applied, as we elect, first to the oldest amount due. Our action or failure to act on any one remedy shall not constitute an election of such as our sole remedy. Any provision of this Lease is severable if unenforceable. Any action or claim by you against us shall be commenced within one year after the cause of action arises or be forever barred.

6. Miscellaneous.

6.1 You agree to sign such other documents and take such other actions as we may require to accomplish the intent and purpose of this Lease. All of your representations, warranties and obligations hereunder shall survive the termination of this Lease. All notices, demands and other communications required to be given under this Lease shall be in writing and shall be deemed to have been given if delivered personally or mailed via certified mail or a nationally recognized overnight courier service to the address specified above (or such other address as either party shall so notify the other).

6.2 TIME IS OF THE ESSENCE. THIS LEASE SHALL BE DEEMED FULLY EXECUTED AND PERFORMED IN THE STATE OF NEW JERSEY AND SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS THEREOF. TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, THE PARTIES HERETO EXPRESSLY WAIVE ALL RIGHTS TO A TRIAL BY JURY IN ANY JURISDICTION. YOU WAIVE ANY STATUTORY PROVISIONS WHICH CONFLICT WITH THE TERMS OF THIS LEASE, INCLUDING BUT NOT LIMITED TO UCC ARTICLE 2A SECTION 303 AND SECTIONS 508 THROUGH 522. You acknowledge that neither any Vendor nor any Equipment salesperson is an agent of ours nor are they authorized to waive or alter the terms of this Lease. Their representations in no way affect any of our rights and obligations as herein set forth.

6.3 We may accept signature to this Lease or other related agreements through DocuSign, Adobe or any other approved electronic means (any such document, an "Electronic Document") as exchanged with your electronic mail or other address that you have identified to us. If we receive and accept by signing an Electronic Document reflecting your signature then you agree that: (1) the Electronic Document will be enforceable in accordance with its terms; (2) the Electronic Document will be deemed to be (i) a "writing" or "in writing" and (ii) an "original" when printed from our electronic files or records established and maintained in the normal course of business; (3) neither party will contest the validity or enforceability of the Electronic Document; (4) the Electronic Document will be admissible as evidence in any judicial proceeding the same as if it was an ink-signed document; (5) each party will use commercially reasonable security measures to protect and record signatures to and delivery of Electronic Documents only by identifiable authorized persons; and (6) each party will be responsible for (i) any unauthorized access to or processing of Electronic Documents within its own organization and (ii) the failure of its security measures. If you do not wish to sign an Electronic Document electronically, you may notify us in writing and thereafter we will not use Electronic Documents with you as stated.

6.4 You acknowledge that certain personal information may be communicated to us in the course of the performance of the Lease and will be used by us to administer our rights and obligations under the Lease and any other agreement entered into between you and us. You confirm that you have obtained any requisite consent to the disclosure and processing of such information by us for that purpose. All such personal data will be processed in accordance with the Hewlett Packard Enterprise privacy policy in force from time to time (available at www.hpe.com). You authorize us to share information related to this Lease with our affiliates for any reason and any third party as necessary to fulfill our obligations under this Lease.

6.5 If the Equipment includes software and the relevant licensor has authorized us to make the software available for your use under this Lease, you assign to us all of your right, title and interest in the relevant software license agreement (the "License"). Such assignment is an assignment of rights only and you will remain subject to all obligations and liabilities under the License except for the obligation to pay for the License after your execution and delivery of all documentation necessary to establish your acceptance of the software. At the end of the term of this Lease and provided you are not in default we will assign all rights, title and interest in the License back to you.

6.6 By signing a copy of this Lease where required above (either on paper or electronically) and providing the deposit account information required above, you are agreeing to all of the terms and conditions of this Lease, each of which is hereby incorporated by reference into this Business Lease Agreement. This Lease shall become effective upon our acceptance hereof but we will have no obligation to purchase the Equipment until you have accepted it as set forth above.

"(iii) return the Equipment by delivering the Equipment to us, for our pick-up at a loading dock at your facilities (individually each a "Designated Pick-up Location" and collectively the "Designated Pick-Up Locations") in accordance with the terms of this Section 4.

B. The following new sentences are added to the end of Section 4:

"You shall provide us with not less than five (5) business days advance notice for any tender of Equipment for return to us. Subject to your compliance with all of the following assumptions, we shall cause our authorized carrier to pack and pick up the Equipment at the applicable Designated Pick-up Location, and to ship the Equipment, insured, to our designated return facility, and we shall bear all actual charges of packing and shipping from the Designated Pick-up Locations to our return facility(ies): For each Designated Pick-Up Location, a) there will be a loading dock that is accessible to a full size tractor trailer; b) all Equipment will be de-installed and consolidated in a centralized location on the first floor at or near the loading dock (within 100 ft.); c) pickup must occur during normal business hours Monday through Friday, 8am to 5pm; d) Union labor is not a requirement for the pickup; e) the Designated Pick-up Location is within the continental United States; f) you tender at least ten (10) Pieces of Equipment per pick-up of Equipment at each Designated Pick-up Location ("Minimum Pickup"); and g) all ink/toner cartridges must be removed from the printers and placed in a sealed (zip lock style) plastic bag prior to shipping (cartridges may be shipped with the printers but must not remain installed for transit as it may cause damage to the unit and the carrier is not responsible for removal of or verification of removal of cartridges and any damage caused due to the failure to remove cartridges). If any one or more of the foregoing assumptions are not applicable or Equipment does not qualify as a Piece of Equipment as defined below, surcharges to you will apply to cover our increased costs. If a default under this Lease occurs, you shall pay all actual costs of any Equipment packing, transportation, in-transit insurance and shipping. Notwithstanding the foregoing, if the applicable fuel price as of the date that our carrier picks up the Equipment from the Designated Pick-Up Location is twenty percent (20%) greater than the applicable fuel price as of the date this Lease is fully executed or higher, both such prices as specified at <https://www.eia.gov/petroleum/gasdiesel/>, then surcharges to you shall apply to cover our increased line-haul costs. Additionally, surcharges to you may apply to cover our increased costs related to the packing, transportation, in-transit insurance and shipping of the Equipment in the event of a cause or causes beyond our reasonable control. Such causes will include, but not be limited to, acts of God, acts of war, riot, fire, explosion, accident, flood, epidemic, quarantine, travel restrictions or sabotage; lack of adequate fuel, power, raw materials, labor or transportation facilities; governmental laws, regulations, requirements, orders or actions; breakage or failure of machinery or apparatus; national defense requirements; injunctions or restraining orders; labor trouble, strike, lockout or injunction. For purposes of this Section 4, the term "Piece of Equipment" shall mean any one physically separate piece of desktop or printer equipment, including, without limitation, central processing units (e.g. desktops and notebooks) and desktop servers; associated computer equipment, including, without limitation, scanners, monitors/LCD, dumb terminals, hubs, routers, desktop printers, multifunction printers and related peripherals; and other office equipment, including, without limitation, fax machines, overhead projectors, and desktop copiers. Small, non-serialized computer products, such as a mouse, keyboards or cables, and other such accessories shall not be counted as separate Pieces of Equipment hereunder, and may be returned without charge if returned in conjunction with other Pieces of Equipment. Pieces of Equipment which are equal to or larger than an industry standard size pallet shall satisfy the Minimum Pickup requirements above, irrespective of number of Pieces of Equipment. You warrant that no Equipment is contaminated with chemicals, biological agents or other substances not integral to the original new Equipment or otherwise associated with normal office or household environments and that all data (including but not limited to personal data as defined in the EU General Data Protection Regulation 2016/679) contained on the Equipment has been wiped clean or permanently deleted prior to the Equipment being made available at the Designated Pick-up Location."

Except as specifically modified herein, all provisions of the Lease shall remain unchanged and in full force and effect. In the event of a conflict between the terms of the Lease and the terms of this Addendum, the terms of this Addendum shall control.

IN WITNESS WHEREOF, the parties have caused this Addendum to be executed by their respective duly authorized representatives as of the date first set forth above.
