DATE: January 10, 2023

A new version of the Government Performance and Result Act (GPRA) Tool has been created.

- The NEW GPRA Tool will be posted to DDAP website:
https://www.ddap.pa.gov/Professionals/Pages/For_SCAs.aspx

Implementation of this NEW GPRA Tool begins on: **January 21, 2023.**

While the New GPRA tool itself has been modified, for our office's purposes, the information found on the "**LANCASTER COUNTY DRUG & ALCOHOL COMMISSION GPRA Tool Instructions & Process**" document (with a revision date of 05022022) remains **EXACTLY** the same...

- ***With the exception, and as you are aware, we neglected to include on that document that a GPRA Tool MUST be completed for EVERY individual who also presents with a stimulant use history, as well as with an opioid use history.***
- ***That stated, REMEMBER, when completing the NEW GPRA Tool:***
 - ***The NEW GPRA Tool MUST be completed for EVERY individual who presents with an opioid and/or stimulant use history.***

Be advised:

- Any follow-up GPRA due on or after January 21st will utilize the follow-up associated with the new tool.
- Any discharge completed on or after January 21st will utilize the discharge associated with the new tool.
